#### About Virtual Acquisition Office™ (VAO)

VAO is more than a web site: It is a robust all-inclusive service designed to bring you the “latest and greatest” in acquisition developments and trends and translate that knowledge into news, publications, tools, training, and events that help government agencies learn and execute most efficiently and effectively.

The VAO service is a subscription-based, fixed-price service offered solely to federal agencies. It is available via Federal Supply Schedule or Library of Congress FEDLINK contract and subscriptions are scalable based on the size of your organization. Consider an enterprise-wide arrangement that enables access for everyone in your agency, at significant economies of scale.
